& MODERNISATION**

of National Food Safety Systems

UNIDO

United Nations Industrial Development Organization

Providing training for food safety capability building based on GFSI's Global Markets Programme in Asia, Middle East and Gulf regions.

WTO/STDF

World Trade Organization/ Standards and Trade Development Facility

Increasing private sector participation in capability building projects to deliver the SPS agreement through the use of GFSI's Global Markets Programme.

IFC

International Finance Corporation, World Bank Group

Incentivising food safety investment by including the GFSI Benchmarking Requirements within those of IFC. Offering benefits to suppliers using GFSI-recognised certification and the Global Markets Programme.

OIE

World Organization for Animal Health

Collaborating through Technical Working Groups on topics related to animal health and food safety.

GFSP

Global Food Safety Partnership

Collaborating to expand the use of GFSI's Global Markets Programme for food safety capability building in Africa and India.

CODEX Alimentarius

Providing technical expertise through the CODEX commission on imports and exports, food hygiene, food contaminants and anti-microbial resistance. Collaborating on the organisation of the annual G2B meeting.

G2B Meetings

Government-to-Business Meetings, hosted by GFSI

Countries represented: Australia, Bangladesh, Belgium, Belize, Brazil, Canada, Chile, China, Cote D'Ivoire, Egypt, Ethiopia, Finland, France, Germany, Italy, Japan, Mexico, Netherlands, New Zealand, Singapore, Switzerland, Thailand, United Kingdom, United States, Zimbabwe. International Organisation included UNIDO, WTO/STDF, IFC, OIE, GFSP, CODEX and the GFSI Board of Directors.
